Experiencing God for Teens!

Knowing and Doing the Will of God

Experiencing God has already impacted millions of people, and this updated version for today's students, written by Mike and Daniel Blackaby, grandsons of the original author, Henry Blackaby, is just waiting for you! Carefully listening to God's voice will anchor you in His plan and set you free to live your life with **BOLDNESS** and **FREEDOM**. You will discover how to know the difference between God's Word and the confusing messages of today's culture. This incredible study brings eight group sessions, new illustrations, and many new and amazing stories from people who have experienced God.

I can't wait to see YOU every Wednesday Night for STUDENT IMPACT at 6:00PM, in the Family Life Center!

Dear Emmanuel Family,

Your graciousness to me at the reception on July 30th was too much. All your kind words and gifts were a true blessing and unexpected. The privilege of sharing God's Word with you each week and your receiving it with hungry hearts was my reward from the Lord.

It was good to see everyone again and I'm thrilled that things are going well under Bro. Scott's leadership. If you love on him the way you loved me, I know the Shirley family will be blessed. I promise I won't be a stranger on Buncombe Road. I'll see you soon. Faithfully yours, Bro. Lane Moore
