**SUNDAY SCHOOL AND WORSHIP SERVICES
JANUARY 19**

The Building and Grounds Committee has set up with Payne Heating and Air to begin our AC work in the auditorium this coming Sunday. This project will involve some construction and requires us to move our Sunday Worship Services out of the auditorium for the next two Sundays. We also will need to combine all our Sunday School Classes for the next two Sundays, since we will be using all the chairs in the building to set up enough seating for our worship services.

Therefore, this Sundays, January 19, all our Sunday School Classes will be meeting together in the Fellowship Hall of our Education Building, directly across from our church offices. Bro. Gary will be your teacher for the next two weeks, and we promise to have enough coffee and donuts for everyone to enjoy. Our Sunday Morning and Evening Worship Services will be held in the Fellowship Hall as well, and our Wednesday services will proceed as usual in the Family Life Center.

Thank you for your patience and understanding. We look forward to getting this work done and getting things back to "normal" as soon as possible.

2020 PROPOSED BUDGETS are available in the church office. This budget will be voted on **Wednesday, January 29.**
