## Forerunner

September 23, 2021

As we continue to think about The Lord's Prayer, consider the following: When we pray, we do not come to God as a gambler approaches a slot machine, hoping we get lucky while everyone else loses out on His goodness. That is covetousness.

Nor do we come to God like a vending machine or a bank. Prayer is not mechanical.

Moreover, God is not a genie in a bottle. Our wish is not His command.

Prayer demands humility and submission.

When we come to God in prayer, we come to our loving Heavenly Father who knows what is best for us and will always give us what we need.

We come in submission, receiving, not demanding and taking.

We come with thankfulness, knowing we deserve nothing, and trusting in His mercy and grace.

We come in faith, because God's will is always best.

We bow before our King, and we worship Him as our God when we pray.

Looking forward to seeing you Sunday,

*Bro. Chad*
