If you have little girls in your house like I do, then you probably have seen the movie *Beauty and the Beast* many times. "A tale as old as time," this Disney classic has captured our hearts. It's the story about a proud and handsome prince who is cursed to live as a terrifying beast for his self-absorbed lifestyle until he finds true love.

But who could love this beast? After all, he's one ugly dude now with a terrible voice and personality, and his palace is in ruins. Even his servants are under this curse, and they fear that their lives will never be the same again.

But just when all hope seems lost, a beautiful young girl takes a wrong turn and ends up at the beast's palace. To make a long story short, true love's kiss follows, and the beast is transformed into a handsome prince again, and all his servants are restored with him. The prince has learned his lesson well, and he will never be cruel and selfish again.

Just as love transformed the beast, so God's love has transformed us! Apart from Christ, we all were once beastly creatures, full of pride and selfishness. Under the curse of sin, all hope seemed lost. But then Jesus came and saved us in His love! Our lives were transformed, and we will never be the same again.

My prayer is that you know the love of God in Jesus Christ our Lord, and that you will allow His love to flow through you into your church, your families, your neighborhoods, and your workplaces. Despite these trying times in which we live, "let us love one another, for love is of God, and everyone who loves is born of God" (1 John 4.7-8).

In His Service,

Bro. Chad
