Forerunner

February 3, 2022

We took in a "free" dog once as a pet. After all, how can you refuse a dog a home when it's "free," and your kids are promising you that they will take care of it? It's a no-brainer.

Only problem was that this dog loved to carry off and chew up shoes – not just our shoes, but all the shoes through the neighborhood as well.

I would go outside in the morning on my way to church, and there at the back door would be a big pile of shoes the dog had gathered up. Somehow that dog got out and went wild!

The worst part about it was, none of those shoes matched, and they weren't my size. We lost many shoes because of that dog, and we bought our neighbors many new shoes because of that dog. After all, this pastor wasn't going to be known as the shoe thief in his own neighborhood.

Dogs aren't free, and neither is God's grace. His grace in our lives cost Jesus everything! Grace is never cheap. What love is this!

See you Sunday,

Bro Chad

"For by grace you have been saved through faith. And this is not your own doing; it is the gift of God, not a result of works, so that no one may boast." Ephesians 2:8-9
